

# Workshop: Introduction to Extracellular Vesicles (EVs) isolation

May 26th & 27th, 2025

Vall d'Hebron Campus  
Collserola Building

## Programme

### Day 1

- 08.00 h Welcome and registration
- 08.30 h Theoretical foundations of EV isolation techniques
- 09.30 h Coffee break
- 10.00 h Practical Training: Size Exclusion Chromatography, Density Gradient Ultracentrifugation and Immune Capture.
- 13.30 h Lunch
- 14.30 h Practical Training: Size Exclusion Chromatography, Density Gradient Ultracentrifugation and Immune Capture.

### Day 2

- 09.00 h Practical Training: Sample Recovery and EV preliminary characterization.
- 13.00 h Lunch and farewell
